### September Mission of the Month GMC Upper Midwest District Disaster Fund

The Missions Team is planning a brunch between services on Sunday, September 27<sup>th</sup>. We are requesting participation from men in the church, and sign-up sheets will be posted soon. The menu will be pancakes, scrambled eggs, sausage, cinnamon rolls, and beverages.

## ***A note from Pastor Phil...***

***But now, this is what the Lord says — he who created you, Jacob, he who formed you, Israel:  
“Do not fear, for I have redeemed you; I have summoned you by name; you are mine.  
When you pass through the waters, I will be with you; and when you pass through the rivers,  
they will not sweep over you. When you walk through the fire, you will not be burned;  
the flames will not set you ablaze. - Isaiah 43:1-2***

During the month of September our Mission of the Month special offering at church will be dedicated to Upper Midwest Conference disaster ministries. Every year here in the our conference we have disaster events that all told would cost billions of dollars to make people and businesses whole again. The good news is that most of these disasters for the last couple years have been managed by a local response. But this is not always the case. I remember the major flooding in Iowa and Nebraska in 2008, and again in 2012, and again in 2019, derecho in 2020, and more flooding that impacted nearly half the conference in 2024. In each of these disasters the church as a whole was called on to respond with volunteers, as well as financially.

Since disaffiliation, our responses have been somewhat piecemeal because as a new denomination, and conference, we did not have a fund or “War Chest” to draw from. As the Conference Disaster Coordinator, I have asked the churches to begin to prepare for the disaster events that run beyond a required local response. In the event of a regional or national disaster in our area, we are not prepared to respond to the immediate financial needs. We are good about responding to disasters through a congregational request that goes through the local church finance department, and then sent on to a ministry that is responding to the area...but natural disasters happen quickly and require immediate responses to keep and maintain the safety of families in the affected areas. Food, water, cleaning supplies, housing, clothing, all need to be cared for immediately, plus there is the set-up of a response camp that will include a warehouse for materials and supplies as well as administration needs.

What I have requested from all the churches in the conference is that we have a special offering every year that will prepare for the inevitability of a disaster with a fund or “War Chest” that will be available for an immediate response, with the approval of our Disaster Team.

Blessings,  
Pastor Phil

## **DelCo Together Committee Update**

We are excited to share an update on our Homeless Room project, created to provide a safe, temporary space for individuals and families experiencing homelessness in our community.

We anticipate having availability beginning October 1<sup>st</sup>. We are continuing to work on securing the resources and partnerships needed to make this space a meaningful support system for those who need it most.

If you would like to support this effort, monetary donations can be made to "DelCo Together" at the following address:

**Delaware County Pay It Forward**  
**Attn: DelCo Together**  
**PO Box 281**  
**Manchester, IA 52057**

Every contribution helps us provide essential resources and support to our neighbors during a difficult time. Together, we can make a difference - one person, one family, and one night at a time.

Best regards,  
Krystle DeShaw, RN | Regional Medical Center | Public Health Administrator

**MMC Single Board – August 18, 2026**  
**Wesley Hall – 6:00 p.m.**

**Present:** Sherry Goranson, Lori Snyder, Bruce Nodurft, Wayne Birkenholz, Charlie Dighton, Mark Reth, Pastor Phil Rogers, Jean Gross, Beth Mueller.

Chair Mark opened the meeting with scripture from James 1:5, "If any of you lacks wisdom, let him ask of God, who gives generously to all without reproach, and it will be given to him." Mark shared seeking God's wisdom is important as He is the ultimate source of all wisdom. His message was followed by prayers and praises lifted up and a prayer for guidance.

**Finance:** Bruce gave the latest finance report. As of the end of July our actual expenses were \$144,935 and our actual income was \$136,336 leaving a deficit of \$8,599 so far for this year. He went on to explain why the deficit grew including two Sundays of small attendance, increases in insurance charges, high electric bills as well as other issues affecting the budget. Bruce said the giving towards the roof repairs so far amounts to \$73,200 with a small amount still expected. We are close to our goal for that big expense.

**Trustees:** Charlie reported in July that the building fund had a \$40,677 balance and he is hoping to keep the remainder for the other projects that they listed at the beginning of the year, like the front door and the ceiling in front of the elevator. The city gave us the permit needed for the new shed by the back entrance. Kone came and inspected the elevator for the last time. We will have a new company doing future inspections at a better rate. The light by the back entrance is working and we are looking at installing a solar light for the parking lot. The kitchen refrigerator was repaired as the defrosting hose was frozen.

**Worship:** Beth said she thinks the choir will be starting on September 20<sup>th</sup>, and the team is working ahead for future worship plans.

**Education:** Sunday School kickoff is planned for Sept. 13<sup>th</sup> with food and fun in the park after 2<sup>nd</sup> service.

**Missions:** Wayne reported the ice cream social was well attended and \$2,098.09 was sent to Operation Santa Claus (of Delaware County), plus any checks written directly to them. The mission of the month for August is the Homeless Shelter Project. Hopefully this will be up and running by October. There will be a brunch between services on September 27<sup>th</sup> to support Conference Disaster Funds. The Food Pantry is back in operation by the new garden shed.

**Congregational Care:** Sherry said that the 75+ birthday celebration will be on the 8<sup>th</sup> of October at noon in Wesley Hall. Dean Sherman will share his hobby of wood turning. Anyone 75 or older is invited to enjoy this birthday luncheon. Several phone calls have been made as well as visits to the GNH and Meadows, and birthday and anniversary cards were sent.

**Staff Parish:** Pastor evaluation forms have been emailed to team members.

We are looking at publishing a booklet with our church information that shares who we are as a church body - and what we do - to distribute around the community. Team members are needed for input and pictures so these booklets can be designed and printed here. Please let the church office know what you want to share from your place of influence. We hope to share this in our community as a whole.

Jean spoke on the care of our church memorial garden. It has been difficult to keep up with the weeding needed this summer due to the heat, humidity, and the age of those who have cared for it in the past. She is looking for younger members who would be willing to take this on as a project. Most of the garden has been planted back to grass, but areas remain that need care. It has been suggested to plant it all back to grass if no one volunteers to help with it. Please let Jean or the office know if this is a project you would like to be involved in. The garden was initially started many years ago as a memorial garden for a member who passed, and it was undertaken by the Master Gardeners in our church, many of whom are no longer with us. We would really appreciate your input or ideas.

Our next regularly scheduled meeting will be Sept. 15<sup>th</sup> in Wesley Hall. Meeting adjourned at 7:15 p.m.

Respectfully submitted,  
Jean Gross, Secretary

**REMINDER:** The first Sunday of each month we collect non-perishable food items for the food pantry in our parking lot. When you bring your items on Sunday morning you are asked to place them in the tub that will be in front of the altar. That food will be added to the pantry as needed. (You may also place items directly into the pantry at other times throughout the month.)
